Listening Lesson Idea

Grade Level: K/1

Type of Lesson: Listening

Title: Musical Bingo

Source: <https://www.icancompose.com/6-engaging-classroom-listening-activities/>

Description: You will need bingo cards, musical examples to play, and counters, but those are optional.

Give out 1 bingo card per pupil, play the extract of music and pupils cross off or place a counter on, an image or keyword once they hear it. The first pupil to cross off all the items shouts Bingo! Adaptation for different classroom requirements is that pupils listen on individual devices and complete the bingo task.

Curriculum Connection: Students are recognizing themselves with the symbols of musical notation. (Musical Notation, Language Arts).

Literacy Connection: For music that is played in the background during the activity, use strictly music tied to book stories read or soon to be read to the class.

Music Standards utilized: K.MU:Cr3.1
