Moorpark, CA | (805) 796-8506 | jackstephenson18@gmail.com

PROFESSIONAL SUMMARY

Elementary educator with extensive classroom experience across K–5 in multiple districts. Recognized for strong classroom management, adaptability, and the ability to build rapport in new environments quickly. Experienced in delivering standards-based instruction, differentiating for English Learners and students with IEPs, and integrating instructional technology to support student engagement and learning outcomes.

TEACHING EXPERIENCE

Substitute Teacher | CVUSD & Simi Valley USD, June 2025–Present

- Provided full-day instruction across K–5 classrooms, often in extended placements across multiple school sites
- Led instruction in core subjects, including math, ELA, and social studies, using district curriculum
- Established classroom structure and expectations, maintaining consistent behavior management
- Adapted lessons to meet diverse learning needs, including ELs and students with IEPs
- Short-term placements include:
 - Madrona Elementary (1st Grade), Weathersfield Elementary (1st Grade & K & Music & 4th Grade), and Westlake Elementary (4th & 5th Grade)
- Utilized instructional tools, including Google Classroom and Smartboard technology

Tutor | Sylvan Learning, Simi Valley, CA, August 2025–Present

- Provided targeted small-group & 1:1 instruction in reading and math aligned to student skill levels
- Used diagnostic data to personalize instruction and track measurable student growth
- Supported foundational literacy skills, including fluency, comprehension, and writing development
- Reinforced math concepts through scaffolded practice and skill-based progression
- Built a strong rapport with students to increase confidence and academic engagement

Student Teacher Intern | CSUN | Moorpark USD & Simi Valley, USD 2024–2025

- Designed and implemented standards-aligned lessons in elementary classrooms
- Differentiated instruction to support diverse learners and maximize engagement
- Applied Teaching Performance Expectations (TPEs) in planning, instruction, and assessment
- Supported small group instruction and classroom management

Special Assistant II | Westlake Elementary, January 2023–June 2023

- Supported K–5 physical education instruction and student engagement
- Assisted with behavior management, safety, and facilitation of structured activities
