Type of Lesson: Movement

Title: Circle Round Zero

Source: <https://dynamicmusicroom.com/2nd-grade-music-lesson-plans/>

Description: Students stand in a circle facing the middle. One person is IT and on the outside. As we sing, the IT person walks around. On the words “Back,” “Side,” and “Front,” the IT person stops and stands back to back, side to side, and front to front with the nearest person in the circle. On “Clap,” they clap the person’s hands. Now BOTH of those people step out and become IT. Repeat and keep doubling until everyone is IT and walks around.

Curriculum Connection: Students focus on working together while recognizing specific patterns, English

Literacy Connection: "Circle Round" by Anne Sibley O'Brien
